

SIZE CHART

Shirts

when measuring the garment, make sure it lays flat.
Do not stretch. The chest measurement "A" is the most important one

- A** From side to side - armpit to armpit
- B** From the sewing line below the collar to the bottom
- C** From side to side
- D** From the sewing line below the collar to the end of the sleeve
- E** From the sewing line below the collar to the end of the sleeve
